STATE RISKS

It follows from the SRS guidelines that the subject of the law has an obligation to assess the client's, as well as its owners and true beneficiaries' jurisdictions or state risks. The check shall be performed at the time of the request for a statement on the list of the Financial Activities Task Force (FATF), on the list of high-risk third countries of the European Union (EU) and in regulations of the Cabinet of Ministers No. 819 "Regulations for low-tax or tax-free countries and territories".

CHECKING OF LEGAL ADDRESS

It follows from the recommendations of the SRS that one of the risk factors that the subject of law must assess when conducting a client research is the legal address and the address where the economic activity of the company is performed. If the registered office does not coincide with the place of business of the company, or if several companies are registered at the same address, many of which have ceased their activities, this can be an important indicator of risk.
